

**Harrisons Schoolwear**

# **Returns Policy**

**If you feel the need to return an item, you can return an item up to 14 days after the purchase, these items must be in the original condition they were when they left the store, all items which wished to be returned must have all packaging and labels attached to be eligible for return.**

**Please when returning keep a copy of a till receipt and give a valid reason for returning.**

**We ask customers not to buy knowing they will return, i.e. more than one size of a product then returning the one which does not fit. We ask this because returned items need to be kept in quarantine for 72 hours before we can have it in stock again which may cause inconvenience for other customers.**

**An exchange/refund will be offered for returns.**

**All Returns must be brought to the store.**

**Stay Safe and Well,**
